The Applicants respectfully request the entry of the following preliminary amendments
prior to the examination of the application:

In The Specification:

- The Applicants have provided a substitute specification pursuant to 37 C.F.R. § 1.125 to correct numerous grammatical errors and to reword some portions of the specification. **No new matter has been added to the specification.** The Applicants have provided both a clean copy (Appendix I) of the changed specification and a marked-up copy (Appendix II) to show the changes.

In the Claims:

- The Applicants request the entry of the following changes to the claims. Marked-up copies of the claim are attached hereto in Appendix III.
